Career Profile

I am a Bachelor student majoring in visual communication design and will graduate by the end of 2020. I'm a creative and talented Graphic Designer with extensive experience in design. I work in Canberra, and I have more than four years of graphic design experience. I am expert in using Adobe software. What's more, I have rich experience in illustration, logo, packaging and website design.

Education

Bachelor of Design (Visual Communication Design)

University of Canberra

Canberra, ACT AU

Expected completion: December 2020

Employment History

Feb 10 – May 17 2020: Graphic Designer

Canberra, ACT AU
